JUNE 2000

NEW CHAPTER 932 WEB SITE

Thanks to John Grosse, the chapter now has a web site. If you're "on line", you will be able to read the latest "Galt Traffic" and the Fly-In calendar along with several other pages at:

http://members.aol.com/eaa932galt/

We will still mail copies to those who are not on line and do not get a monthly statement from Galt Airport, which includes a copy. Copies are also available at the Galt Office.

John Grosse volunteered to head up the web site and Jeff Hill, Jr. will assist. They earnestly solicit your ideas, articles and especially your photographs. Contact them – NOW!

MINUTES OF THE MAY MEETING

Twenty-one members attended the May 14th meeting, which was to be followed by a Young Eagles Rally. It was MVFR, windy and rough so the Young Eagles didn't fly. Let's hope for better weather June 10 (see following article).

There was no old business.

New business: A work party was set up for May 21. (The tables and chairs were taken care of and the plantings around the building were weeded and mulched that day –Thanks to all who helped!). (If you couldn't make it and would like to help, we have the roof work and the deck railings and benches to go – give John Wise a call (815-653-3966).

Jack Hartery volunteered to set up an Oshkosh work weekend – details to follow.

John Grosse and Jeff Hill, Jr. volunteered to set up a Chapter web site – see lead article.

Jeff Hill Sr. volunteered to organize the collecting of *Sport Aviation* (and other) magazines to donate to area libraries along with a Chapter promotion sticker on the covers. There will be a collection box at Galt. Please drop off your *Sport Aviation*, and other EAA magazines, such as *Vintage Airplane*, *War birds*, *The Experimenter*, etc... *AOPA Pilot* is another good one. The above magazines are not sold on newsstands and are not generally found in public libraries and other places such as doctor and dentist offices.

Nominations were open for the election of Chapter Officers (Pres., Vice Pres., Sec., Treas. and Directors (five)). The vote will be conducted by mail. You will soon receive a package containing a ballot along with a copy of the proposed new by-laws that we are also voting on. Please take a moment to go over this material and return promptly in the postage paid return envelope. Please follow the instructions and be sure to supply your EAA Number and expiration date. This is a "must" all voting members must belong to EAA National.

Lucky John Ross won $30 in a 50/50 drawing (and lucky EAA 932 made enough to pay for this mailing). Now there's a win/win situation!

JUNE MEETING

The June meeting will be held at the **Chapter Hangar at Galt Airport Saturday, June 10 at 10:00 followed by our monthly Young Eagles Rally at 11:00.** We need pilots, we need planes, and we need help on the ground. This is **INTERNATIONAL YOUNG EAGLES DAY.** Please show up for the fun, a burger and a little hangar flying.
